Deepening Your Faith Walk

Wednesdays
10:30 am—12:00 pm

This is a small support group for women 55 and older. The group is for women who are serious in their search for spiritual growth and development. Through sharing with each other we embark on an inward journey attempting to integrate our daily experiences with our understanding of God. *The Good News According to Jesus* by Chuck Queen is our book used to aid in this exploration.

Conversations of the Heart Sunday Afternoons in Library 1:00—2:00 pm

This group is for younger women who are looking for Christian friendships. It does not matter if you work or are a stay at home mom. The only requirement is an interest in connecting with other women in similar circumstances. Join us as we study the book *Song of Solomon*. Each meeting contains prayer exercises that touch the soul, scriptures that enliven daily life, and thoughts that help you see more clearly who you are and where you are going. What we hope to foster is friendships that support but do not meddle, a deeper experience of God, and down-to-earth practices that will help deepen your spiritual awareness in the everyday routines of your life.

Women's Fellowship
First Mondays
 10:30 am Church Library
 7:00 pm in Homes

The purpose of Women's Fellowship is to bring women of our church together in fellowship of worship, education and service. We support mission projects both in our local community and through Our Church's Wider Mission. Locally, we sponsor families in need at Christmas within our own congregation and community. We support local and world ministries through our budget. We are a support group for each other in times of need through prayers, meals, cards, and visits. Our study this year is *Journeys Through Revelations*.

We meet the first Monday of each month. We have two circles, the morning circle that meets at 10:30 am in the church library, and the evening circle that meets in different homes of members at 7:00 pm.

Prayer Shawl Ministry
Second Mondays
 1:30 pm in Prayer Room

We are combining our care and love of knitting (or crocheting) into a prayerful ministry that reaches out to those in need of comfort and solace. Many blessings are knitted into every shawl. The knitter begins each shawl with prayers for the recipient and continues the prayers throughout the creation of the shawl. When the shawl is completed it is given with our love to someone who is in need of it.
